

Ref: 011FOI21.22 – Prescribing of Migraleve

I shall be pleased if you will disclose to me any guidance or policy given to GP's & Pharmacies regarding the prescription, use and distribution of Migraleve Pink & Yellow medication or it's active ingredient Buclizine

Response

Kirklees CCG has no specific guidance issued to GPs on the prescribing of Migraleve, or buclizine specifically. All GPs are expected to follow NHS England guidance for conditions for which over the counter items are available, and treatment of 'infrequent migraine' is covered by this guidance - <https://www.england.nhs.uk/wp-content/uploads/2018/03/otc-guidance-for-ccgs.pdf>
