

Ref: 019FOI21.22 – Hospital Deaths

Please may you provide me with:

Total Deaths (All Causes) in hospital broken down by:

Years - 2013/14, 2014/15, 2015/16, 2016/17, 2017/18, 2018/19, 2019/20, 2020/21.

Age Band - 0-4 Years Old, 5-14, 15-24, 25-34, 35-44, 45-54, 55-64, 65-74, 75-84, 85+

Months - Each Months Total - April to March

Thank you for clarifying on 14 May 2021 that you wish to have information about all hospital deaths within Kirklees.

Response

The CCG does not hold this information. You may wish to pursue one of the following options:

1. The Office for National Statistics (ONS) may be able to help if a Freedom of Information request was made directly with them. This link explains how to do that: [Making a request - Office for National Statistics \(ons.gov.uk\)](https://ons.gov.uk/infrastructure/foi/making-a-request)
2. If you approached the Trusts directly then they may hold the information requested. Trusts in the area of Kirklees are Calderdale and Huddersfield NHS Foundation Trust (foi@cht.nhs.net) and The Mid Yorkshire Hospitals NHS Trust (foi@midyorks.nhs.net).
3. The Summary Hospital-level Mortality Indicator (SHMI) - Deaths associated with hospitalisation may help. It can be accessed through the following link: [SHMI data - NHS Digital](#)
