

Ref: 48FOI21.22 – GP Practice Mergers

Request

1. GP mergers (list of merged practices) within your CCG covering the financial years 2013/2014 to 2017/2018.
2. Funding of the merged GP practices covering the same financial period 2013/2014 to 2017/2018. I would like to know what the contract value was after the merger.

Response

NHS Kirklees CCG came into existence on 1 April 2021. Our predecessor CCGs were Greater Huddersfield and North Kirklees. None of the aforementioned CCGs has managed any practice mergers since 1 April 2016. Practice mergers prior to 1 April 2016 were handled by NHS England. You may wish to refer your request to them (england.contactus@nhs.net).
