

Ref: 50FOI21.22 – Microsoft Legacy Applications

Request

1. How many instances of the Microsoft Windows 7 Operating System are currently in operation across your entire network? How many devices such as kiosks, lap tops etc are still running Windows 7?
2. How many instances of the Microsoft Windows XP Operating System are currently in operation across your entire network ? How many devices such as kiosks, lap tops etc are still running Windows XP?
3. Who is the officer responsible for maintaining and delivering legacy applications to all your users?

Thank you for your help.

Response

The CCG outsource IT support and maintenance to The Health Informatics Service. We can confirm, however, that NHS Kirklees CCG have no legacy applications in use.
