* The CCG does not hold this information at this level due to the current contracting arrangements. You may wish to refer your request to South West Yorkshire Partnership NHS Foundation Trust (customer.services@swyft.nhs.net) for the day rate costs as the CCG commission on a block contract for specified services, therefore SWYPFT allocate against the commissioned service lines.

** The CCG does not hold this information at this level due to the current contracting arrangements. You may wish to refer your request to Mid Yorkshire Hospitals NHS Trust (foi@midyorks.nhs.uk) and Leeds Teaching Hospitals (leedsth-trust.information@governance@nhs.net) for the day rate costs as the CCG commission on a block contract for specified services, therefore the providers allocate against the commissioned service lines.

*** The specific number is exempt from disclosure under section 40 of the Freedom of Information Act (FOIA) (personal information), where to release it would contravene the requirements of the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018 (DPA). In order to comply with GDPR / DPA, disclosure of personal data under the FOIA must be fair (the first data protection principle). Having taken this into account, the CCG has decided that it would not be fair to release details of patients or associated costs where this could enable identification of the person(s) concerned due to the small numbers involved (less than 5). This information is therefore exempt under FOIA section 40(2).
