

Ref: 059FOI21.22 Outstanding CHC Assessments

1. **Currently how many Adults and Children's CHC Assessments are outstanding within the CCG**

There are 41 outstanding adult CHC assessments as of 13 August 2021. The CCG does not hold the information regarding children's assessments in a way that would allow accurate data about current outstanding assessments to be shared.

2. **How are the CHC assessments broken down**

CHC Checklists	1
Initial Decision Support Tools	24
Three-month reviews – outstanding	9
Twelve-month reviews – outstanding	7

Please note these figures are for outstanding adult assessments only.

3. **What staffing groups complete the assessments (for example, Qualified Nurses, Occupational Therapists, Physiotherapist, Qualified Social workers)**

Staffing groups from the CCG Continuing Care Team - qualified nurses. Please also note that qualified social workers from the team complete reviews as relevant.

4. **Who is the budget holder for this project and what are their contact details?**

For adult CHC - Toni Smith, Head of Continuing Care, 01924 504961.

For Children's Services – Stewart Horn, Head of Integrated Children & Young Person Services, stewart.horn@nhs.net
