

Ref: 69FOI21.22 – Kirklees Integrated Care Partnership

Request

Please could you clarify if the Kirklees Integrated Care Partnership referred to in the FOI response is a purely Kirklees local integrated care partnership, of the kind outlined in the 7.2.2021 WYH ICS Board meeting paper on governance arrangements for HC Bill, that will deliver the Kirklees "place-based strategy"?

If so, will the Kirklees integrated care partnership be a place-based Committee of the ICB? or a Joint Committee between statutory partners? Or some other arrangement?

Response

The CCG does not hold this information. We are working to set up the Kirklees Integrated Care Partnership arrangements and at this stage a decision has not yet been made on what form this will take.
