

Ref: 71FOI21.22 – IVF Funding**Request**

I'd like to request information regarding

- Number of cycles that will be funded
- Any criteria that must be met before the person will be referred to a private fertility clinic

Response

Information that is reasonably accessible by other means is exempt under section 21 of the Freedom of Information Act. You can access Kirklees CCG's fertility policy via the following link: https://www.kirkleesccg.nhs.uk/wp-content/uploads/2021/01/2020-04-01_Policy_Fertility_GHNK_CCG-FINAL.pdf.pagespeed.ce.jrqAnsOL6C.pdf

Please note that different private clinics within Kirklees (that the CCG do not refer patients to) may have their own different criteria for referral, but the CCG does not hold that information.
