

Ref: 74FOI21.22 – List of Commissioned Services

Request

Could i please have info pertaining to what 'services' are currently commissioned by your organisation and a list of organisations that are commissioned to fulfill them.

Response

Information that is reasonably accessible by other means is exempt under section 21 of the Freedom of Information Act. You can view a list of services that we commission, along with the provider organisations, on our contracts register using the following link:
